

Longmont Conservation District
Scholarship Award Program

Application Due April 1, 2024

The Longmont Conservation District is pleased to offer a \$2,000 scholarship to at least two Longmont area high school seniors pursuing a degree in an agriculture-related field.

The scholarship will be paid over two years at \$1,000 per year directly to the educational institution. Applicants who will be attending schools within the state of Colorado will be considered first, followed by applicants who will be attending out of state colleges. Preference will be given to high school seniors. A college student continuing their education in an agriculture-related field may apply.

The Board of Supervisors of the Longmont Conservation District will review the applications and award the scholarships at their April Business Meeting. Scholarship winners will be selected based on a written essay, leadership, high school activities, academic record, character, and sincerity.

ELIGIBILITY AND APPLICATION REQUIREMENTS

1. Applicant must have a home address within the Longmont Conservation District boundaries, and/or attend a school within the St. Vrain Valley School District.
2. Two letters of recommendation must accompany the application. One letter must be from a school faculty member who has taught the applicant as a student.
3. Include a high school transcript with the application.
4. A 250 - 500 word essay on soil and water conservation must accompany the application.
5. Postmark the application no later than April 1, 2024.
6. The scholarship winner will be announced after the April Board meeting.
7. The recipient must notify the Longmont Conservation District office of acceptance or refusal of the scholarship, in writing, within 30 days or the scholarship will be passed on to an alternate.
